Seniors must be willing and able to work in an adult learner, self-paced, computer environment.

There is zero tolerance for misbehavior; seniors can be removed for failure to follow the BISD Student Code of Conduct or Night School rules as stated on the Night School application.

Each Night School course is taught using the A+ computer based curriculum or Moodle.

Seniors must have 7 classes in their BHS semester schedule.

Seniors cannot enroll in English 4A at Night School until the 4<sup>th</sup> six weeks of the spring semester.

Seniors who are failing a class in which they are enrolled at BHS must wait until after the second six weeks in either semester before applying to attend Night School.

The primary purpose of Night School is credit recovery: seniors should have core courses in their BHS schedules and pick up other credits at Night School.

Daily attendance is expected; seniors exhibiting poor Night School attendance can be withdrawn.
